Re: Freedom of Information Act Request EPA-R9-2015-004006

Dear Mr. Lovely:

This is in response to your Freedom of Information Act request regarding:

Documents including but not limited to all correspondence with the Division of Oil, Gas and Geothermal Resources, or any predecessor agency, as well as the State Water Resources Control Board related to injection in the Round Mountain Oil Field, into any of the following formations: Walker, Vedder, Pyramid Hill, Jewett, or Olcese.

On March 9, 2015 Michele Dermer provided you the FOIA Online identification numbers for two prior responses to FOIA requests which contain relevant documents. These are EPA-R9-2015-004182 and EPA-R9-2014-010002.

The remaining responsive documents have been uploaded to FOIA Online for this FOIA.

If you have any questions, please contact Michele Dermer of this office at (415) 972-3417.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jane Diamond", is written over the typed name.
